

# Looking to Involve Music Instruction In Your Learning Pods?

## Build social skills in a safe, creative way!

### WeMusic Learning Pods

Learn Voice, Piano or Violin in a group environment. Explore the fundamentals of musicianship, using easy to learn technique and music theory through the lens of popular and contemporary music that will get your child playing and having fun right away!

### WeMusic instruction includes

- Live classes through ZOOM
- Teaching artists with M.M./ D.M.A degrees
- Project-based learning
- Weekly pre-recorded instructional videos to enhance self-directed learning and time management skills
- Development of the important intellectual, technical and social competencies in each music class.

NO PRIOR

MUSIC EXPERIENCE

NECESSARY

WeMusic education experts and faculty understands the importance of music instruction that goes beyond traditional technical development and music literacy. WeMusic is a music community revolved around the development of the important intellectual, technical and social competencies one engages with in music class.

**We Can Create A Course To Fit Your Needs.  
Tell Us What You Are Looking For!**
